In 2017 we had 148 Green Built NC homes certified and 169 Registered. 11 LEED Homes certified, and 720 to date. From Jan – May 2018 we had 72 homes certified as GBH.
d. Membership: As of July 11th we have 270 current members, which is up from May 6 at 242.
   We had 44 members renew or join in May. The membership drive really helped and Cari is doing a great job at boosting membership.
e. Appalachian Offsets:
   i. The kiosk was installed at the Asheville airport on June 12th.
   ii. We have had 3 donations on it. There was a malfunction and we are checking into it. We are also brainstorming ways to improve the interface so more people will donate.
   iii. The School Board will allocate $59,000 towards the project.
   iv. Since the fundraising push we have had donations of $1152. Thanks Stephens, Raymond, McGregor, Maggie, and Amy. Still hoping that more of the Board will donate.
   v. Cari has been reaching out to breweries. None have said yes yet, but Twin leaf is close. Anyone know them or other breweries/restaurants to connect with?
   vii. Need commitment from future beneficiary organizations to help with fundraising.
f. Directory: Ad sales are up this year. We are printing 30,000 copies, and the increase in Ad revenue will be used to pay for the additional 5,000 copies. All articles have been submitted. We are still working on the cover shot.
g. Videos: All filming is done. They are in final editing. We will show them at the Annual event.
h. Education:
   i. UNCA workshops on 7/11/2018
   ii. Presentation at the Land of Sky Regional Council on 7/12/18.
   iii. Blue Horizons workshop set for August 7th. Please promote to your networks
   iv. Need to follow-through on Green Built Homes labels for Builders First source
   vi. We are planning a public lecture on the Energy Pedal of the Living Building Challenge. A spring date TBD. We also have plans to offer Net Zero pedal workshops, plus 2 intro sessions in 2018.
   i. Ciderfest: October 13th at Salvage Station. Tickets went on sale July 4th. As of 7/11 we have sold 363. Our cap this year is 2,000. Can we move the AO station to Ciderfest and have some kind of give away associated with it. Like tickets/ t shirts/ iPad/ etc.
   j. EITF Low-Income Program is moving along as we meet and coordinate activities with Community Action Opportunities, Energy Savers Network, and United Community Development. We are averaging about 3-4 audits per week and 3-4 workdays per week. Yulia Shaffer was hired as ESN Operations coordinator. We are up to 6 staff now and have three interns.

(5:45-7) NEW BUSINESS
A. Board Committee structures and members (5:45-6pm)
   i. Jay was chair of membership but has requested to step down. Rob and Jose were on membership as well.
      1. Contacting folks for renewals
      2. Attempting to make the members more involved with cool fun things to do.
         (Possibly a regular membership after work thing or getting breweries to donate
      3. Jeff elects to join membership. Thanks, Jeff.
   ii. Education is Heath, Antonio, Jessica, and Josh. Ben elects to join education.
       Thanks, Ben.
   iii. EC is Chrissy, Robin, McGregor, and Jamie.
   iv. Building is new and has been taking up more a lot of time. Stephens, Robin, Josh, Raymond. But this is an as needed committee (assuming everyone is keeping their eyes out for property). Robin points out that we are in the the height of a boom and we should probably be waiting to buy something anyway.

B. Antonio polled the board about moving to an earlier time slot but a majority of folks need the later time to finish work.
C. Board committee breakout sessions (6:00– 6:45pm)
   a. Committees to elect their chair.
